ECON Women's Days - Be a #changemaker

Female leadership is on the rise, especially in consulting, where women are still underrepresented. This needs to change! We believe in female empowerment and want to actively encourage you to become a changemaker. Are you ready to step up and lead us to a brighter future? Connect with many other talented women and expand your female career network.

Our event also offers a good opportunity to talk about the impactful work on our projects and challenges in our everyday (work) life.

You will also have the chance to listen to an inspiring speech from Jeannyfar Gelpcke, Senior Executive Advisor to CEO at E.ON SE, and to ask all your questions regarding a career at E.ON Inhouse Consulting. On top of all you will be able to outgrow yourself during an exciting workshop on self-awareness!

Join our recruiting event on September 21-23 in Düsseldorf!
